Why join a handwriting club?

Handwriting is the key component and an essential part of school related activities. Refined hand skills are not only critical for early learning but enables a child to use tools, participate in manipulative learning activities and most importantly express and demonstrate his/her knowledge through handwriting.

Who should attend?

Anyone is welcome.

Does your child...

- ▣ **Want to brush up on handwriting skills?**
- ▣ **Have difficulty holding pencils or markers?**
- ▣ **Have difficulties coloring within the lines?**
- ▣ **Have messy or sloppy handwriting?**
- ▣ **Have illegible handwriting?**
- ▣ **Seems weak or uncoordinated?**
- ▣ **Seem clumsy?**

- Writes too large/too small?
- Writes from right to left?
- Writes from bottom to top?
- Occasionally or frequently reverse letters/numbers?
- Have some difficulty learning letter/numbers correctly?
- Have difficulty staying on a line?
- Have a hard time keeping up in class with handwriting activities or learning new skills?

If you answered yes to any of these questions, your preschooler or school aged child could benefit from our program **to learn skills and techniques to become successful in handwriting!**

Which techniques do you use?

We unlock hidden talents through fun-filled interactive activities to guide the learner through new techniques to learn appropriate and functional handwriting skills.

Our program follows a **Multisensory approach** and incorporates different programs such as **Handwriting Without Tears, Loops and Other Groups, Therapeutic Listening, Brain Gym** and other **therapeutic activities** to enhance the child's fine motor and/or visual-motor skills as fundamentals for handwriting skills. We incorporate **home activities** to reinforce and practice new learned skills.

Which skills does this program aim to improve?

The program will enhance all or most of the following skills, dependent on the program level:

- Hand Control and coordination (pencil control)
- Rhythmic and fluent handwriting
- Correct letter formation
- Consistent sizing of letters and words
- Consistent spacing of letters and words
- Reduction of reversals
- Reduction in uppercase/ lowercase confusion
- Line control and alignment
- Copying skills
- Overall legibility
- ...and most of all...
- **Motivation and self-confidence!**

How do I enroll in a Handwriting Club?

A screening session is necessary to determine your child's skill level and determine the appropriate group, to best serve your child's needs.

Several groups will address different skill levels.
